Juniors

The Junior Class elected James Van Loo, president; Jo Ann Van De Keere, vice president; Kaye Cogger, secretary; and Dorcas Gibson, treasurer.

The twenty-four members of the Junior Class have been very busy this year. Some of our activities were making pom poms for the football games, having a bake sale in December, and serving a barbeque lunch one noon in January. The Juniors sold basketball schedule pencils printed in the class colors of red and grey.

During the latter part of November the Juniors chose their class rings.

The Juniors held a skating party on November 20 at the Princeton rink, with Mr. and Mrs. Fred Schwind as chaperones. The party stopped at the Steak House afterwards.

On March 17 the Juniors sponsored the annual St. Patrick's Dance, with Harold Harney's Orchestra providing the music.

With the coming of spring, the Junior Class was busy deciding the theme and making plans for the Junior-Senior Prom.

Mr. Schwind was our class sponsor.

President	Bobby Ted Johnson
Vice President	Marlene Driessens
Treasurer	Roland Fisher
Secretary	Lois Sipes

After the first semester Roland Fisher left school, so the office of treasurer was taken over by Bobby Ted Johnson.

Two Sophomore girls, Camille McCune and Rose Mary Gentry were chosen for Junior Varsity Cheerleaders.

Both class parties were held at the show in Kewanee.

The Sophomores held a Christmas Dance on the twenty-third of December.

Freshmen

Two new members joined our Freshman Class this year; Kay Hodkins who moved here from Princeton, and Stanley Moore who came from Mineral. In October Virgil Smith moved to Plainville, Kansas, leaving us a final membership of twenty.

On September 5 the Seniors initiated us. Altogether we had a very messy day. All day we had to wear crazy costumes thought up by the Seniors. Whenever we met a Senior we had to get down on our hands and knees and say, "Most Honorable Senior, a humble Freshman kisses thy feet."

At noon we Freshmen pushed the Seniors uptown and back on a hay rack, which was very tiring. In the evening the Seniors had stunts for us to do before an audience in the gym, followed by a school dance given in our honor.

On October 24 the Freshmen sponsored the Homecoming Dance, with Paul Russell for our orchestra. The dance was a big success.

We had our first class party November 20. Eighteen of us went skating in Princeton. We had a fine time except for the bruises we collected on the skating rink.

Miss Neff was our class sponsor this year.

Freshman Initiation

The Freshman Initiation took place at the new Sheffield Airport, where the seniors were awaiting the arrival of a late plane. It seemed that each of them had just returned from a trip to some part of the world, bringing back with them a person of unusual talents. To pass the time, announcer Duane Moore suggested the seniors have their guests demonstrate some of their talents.

Wendell Smith started the show by having Sandra Wickham, a wild African girl, do some of her native dances. Although her costume and the music were appropriate, Sandra was a little on the bashful side.

Katie Thomas, a Swiss yodeler, was escorted by Wilbur Jones to the top of a step ladder. From this mountain top she gave a yodeling demonstration.

Joann Kaufman and Elaine Jones had just returned from Paris bringing with them a pair of French beauty operators, Marilyn Kaufman and Paul Jenkins. These two gave a spirited demonstration of the egg shampoo and the original French mud pack.

Nancy Prior, a native of Montana brought by Bud DeMay, showed us how to do some fancy rope tricks and ride a bucking bronco named Virgil Smith.

Loreata Moore and Driscoll Drew had just returned from Hawaii, bringing with them a romantic pair of hula dancers, Catherine Ray and Gene Gibson, who gave a thrilling performance of the hula.

Mary Johnson, just returned from India, brought a Hindu fakir, Wanda Wilhelm. Wanda had to do the Hindu climbing rope trick and force a snake to rise from its basket.

Next was Bill Fisher, a Roman orator brought by Kaye Garrison. Bill had to give an educational monologue on the subject of fleas, drinking a glass of water each time he used the word "fleas."

Duane Moore, coming from a Chicago vacation, brought back a famous south-side strip tease dancer, Bill McKee, who did a reverse strip tease act.

Arleta Peterson couldn't resist the New York night club singer, Phil Cunningham, who sang away the girls' hearts.

Frank Gebeck had his Dog Patch couple, Lela Standard and Stanley Moore, feed each other from a high step ladder.

Harold Lambert brought a tight rope walker, Paul Griffin, who walked blindfolded over a tub of cold water.

Matador Gladys Barton and bull Karen Drew gave an exciting Spanish bull fight. They were brought from Spain by Sally Ortega.

Kay Hodkins was blind-folded and tied to a board as a target for a thrilling knife throwing act, without knowing that real knives would not be used. Lorraine Beyn found this unique act in northern India.

Ellen Nutter brought Ann Nell Schwind, who gave some interesting imitations.

The last act before the plane arrived was presented by Vernon Pease, who had stolen a Ringling Bros. clown, Mary Clubine. Mary walked on a rolling barrel.

SENIOR DANCE

On the evening of September 5, 1952 the Senior Dance was held in the gym following the Freshman initiation. The large crowd danced to the enjoyable music of Doc Hunt and his orchestra. This was our first social event of the year and turned out to be a success.

The crowd departed from the dance with memories of a delightful evening.

Football

Sheffield's entrant in the "Little 8" football wars proved without a doubt that they were the BEST in the league. The Cardinals, backed by sincere confidence of coaches, Fred Radunzel and Fred Schwind, gained poise and ability with every victory and compiled the best record of any Sheffield Football team - 9 victories, 0 defeats. Hard work, the will to win, and the "Never say die" attitude were present in the team and the finished product was something for everyone to be proud of.

The team was very capably co-captained by Kaye Garrison and Driscoll Drew, and as for outstanding players, the entire team was outstanding. All members of the starting "8" were elected to one or more All-Star teams. Through out the season the reserves saw lots of action, so depth was also noticed on the squad.

BIRDS MAUL BUDA, 18-0

The Buda Bears succumbed to the Sheffield juggernaut 18-0. Our boys were getting used to our new style of play (a shift from T formation to single wing) hence the low score. Three touchdowns were called back because of minor rule infractions.

SHEFFIELD SOCKS MANLIUS 18-7

The Red Devils from Manlius were the next to fall before the power and speed of the Cardinal's football machine. Since Manlius had a much better team than our first foe and the score was about the same, the stage was being set for what was in line for all future Sheffield opponents.

SHEFFIELD 33--TISKILWA 0

The Tiskilwa Indians found out the hard way that Sheffield had power to burn when it came to playing football. Tiskilwa was worn out after the first half and the final score saw Sheffield way out in front. Here was the game we showed the world we could also pass.

SHEFFIELD CRUSHES BUREAU 40-33

The Bureau Wildcats were the next victim and they fell before the mighty Cardinals as had the others. The Cardinals' expert passing and running gave them a 40-33 victory over the Wildcats.

SHEFFIELD PUMMELS MALDEN 52-21

The Malden Musketeers were completely outclassed in this one. The Sheffield reserves played over three quarters of the game and the final score was still 52-21. It was at this point of the season that the squad whittled down from 22 to 15 players due to injuries incurred during practice.

SHEFFIELD BEATS LAMOILLE 52-13

The LaMoille Lions were completely humiliated by what they expected to be a "lucky" Sheffield squad. The game was marked by high-spirited play by both teams and the Cards flew off the field owning a 52-13 victory. This was our tune-up battle for the expected tight game the next week.

SHEFFIELD NUDGES WYANET 45-13

The Wyanet Eagles watched the Cardinals fly by in this one. Sheffield was not expected to hold up under the barrage of passes thrown by Wyanet but despite 50 some passes thrown and 27 completed the Cards had little trouble winning 45-13. It was this weekend that the world was notified that nothing was going to stop the Cardinals.

SHEFFIELD SWEEPS ZEPHYRS 33-7

The Cardinals put on the Neponset Zephyrs air-brakes and flew ahead for a 33-7 victory. Everyone was now looking forward to the end of the season when Sheffield would be the undefeated champions.

SHEFFIELD NIPS OHIO 19-12

This was the big game. This game would tell who was the champion, Ohio or Sheffield. The Bulldogs put up a good fight but they didn't growl quite loud enough to stop the invincible Cardinals from becoming the undefeated Little "8" Champions by a 19-12 victory.

THE BIG WHEELS

WENDELL SMITH, first team quarter back, helped lead the Cardinals through a successful season by scoring 131 points--21 TD's and 5 extra points. Wendell was named the All-Conference 2nd. team back. He was also named one of the "Most Valuable" players in the conference by the BUREAU VALLEY CHIEF.

LEFT HALF, DRISCOLL DREW, also gave the team a helping push by scoring 13 TD's and 8 extra points for a total of 86 pts. Drew was named All-Conference 4th. team back. Driscoll could always be counted on to "deliver the mail--with no postage due".

TERRIBLE TERRY (TUSS) NUTTER, Sheffield's right half, made up the third member of the BEST ALL-ROUND BACKFIELD in the Conference. Terry Tuss made the last TD in the Championship game with a 15-yard run. During the season Terry racked up 11 TD's and 1 extra point. Terry will be back with us next year, to give the team power and drive.

JACK GENTRY, All-Conference end and the Cardinals right-end terror, was a boy who could really block and run. Jack, a junior, will be wearing the Red and White for another season, and we hope it will be as victorious as this year. Jack made 3 TD's and 2 extra points for a total tally of 20 points.

KAYE GARRISON, All-Conference 3rd, team Tackle, was one of our best blockers and tacklers. One of the two Seniors in the forward wall, Kaye was a member of the ALL-CONFERENCE BEST ALL-ROUND LINE.

HAROLD (Dick) LAMBERT was chosen All-Conference center and the other Senior member of the BEST ALL-ROUND LINE. Dick could always be counted on to snap that old pig-skin just right.

WAYNE (Toad) SMITH, a Sophomore, was considered the best lineman in the loop, and was named All-Conference tackle. Toad was the youngest member of the conference ALL-ROUND LINE. Wayne will be wearing the Sheffield Red and White for two more years and we hope that those years will be as good as this year.

CONRAD (Knute) HEWITT, a Junior made up the 5th man in the Cardinals' unbreakable wall of defense. Knute received Honorable Mention in the All-Conference team. With three years of experience behind him he will be a big asset to the team in the remaining year of service he has left.

Sheffield's undefeated season would not have been possible without the encouragement and guidance given the team by COACH RADUNZEL and FRED SCHWIND. They certainly deserve a lot of the credit for having an undefeated team.

Football Band

The 1952 Football Band was composed of high school band members not on the football squad, augmented by Junior high band members to a total of thirty-six, plus six baton twirlers and a drum Majorette.

The band practiced on the football field two periods a week, and presented a half-time show at four football games. Each show consisted of an entrance, a salute to the visiting team, the Sheffield "S" formation for the singing of the School Song, and a dramatization portrayed by music and formations.

The first show at the September 12 Buda game, dramatized the experiences of a farmer, Duane Moore, and his girl friend, Lorraine Beyn, who went to the "County Fair." The farmer rode the merry-go-round that broke down, visited a side show to see the fat lady, and had his heart pierced by Cupid's arrow. It all ended well when the farmer took his girl to the races.

At the September 19 Manlius game, the band presented a "Heritage of Freedom" show, to illustrate the importance of voting in the coming presidential election. Our forefathers were honored by formations showing the Liberty Bell and a covered wagon, while the band played "Yankee Doodle" and "Wagon Wheels." Then the band made a ballot in which an "X" was placed, and ended the show by playing "God Bless America."

On September 26 Tiskilwa invited the Sheffield Football Band to attend the Tiskilwa game and present the "Heritage of Freedom" show to the Tiskilwa fans.

The band played its last performance at the Wyand game on October 24, dramatizing the story of "Jack and Jill." With Bud DeMay as Jack, and Lorraine Beyn as Jill, the band portrayed the famous hill climbing accident, and the subsequent romance, wedding, and family of "Jack and Jill."

Basketball

NON-CONFERENCE GAMES

Against non-conference foes Sheffield did very well, winning 7 games and losing 4. The Cards of Coach Radunzel started off with a sizzling 81-50 romp over Toulon. Then came the Mineral game, with the Cards having little difficulty in cutting the rival Leopards down to size: Sheffield 64, Mineral 49. Next came Manlius, with the Red Devils ending up on top, 59-47, as the Cards just couldn't seem to click. In the tightest game of the season, Walnut edged us 56-55 in a nip and tuck battle all the way. Tiskilwa (67-53) and Wethersfield (62-44) were the Cards next victims. Then the Cambridge Vikings ended a five-game Sheffield winning streak by defeating the Cards, 64-45. After this defeat the Cards bounced back to top Annawan, 68-55, only to lose their next game to Mineral, 61-42. Then the Cardinals fattened their winning column by defeating Atkinson, 59-52. We played Buda for our last non-conference game, and this contest ended 80-61 with the Cardinals on the long end.

HOLIDAY TOURNEY

Sheffield held their Second Annual Holiday Tourney this year, and Coach Radunzel and his boys walked off with the top honors. Against Wyanet the Cards won 74-62. Sixty-eight fouls were called in this game, under the experimental foul rule whereby no player fouls out. In the championship game with Neponset, Coach Radunzel cleared the bench in an 81-65 rout.

LITTLE EIGHT CONFERENCE TOURNEY

This year the conference officials voted to seed the Tourney, and Sheffield was seeded third. Drawing Manlius in their first game the Cardinals of Coach Radunzel played a superb ball game, and knocked the No. 2 team out of the Tourney, 70-62. This game gave the Cards their revenge for two earlier defeats by the Red Devils. In their second game the Cards ran into considerable trouble from LaMoille, but they never were behind and ended up on the long end of a 67-61 score. In the championship game against Ohio, we thought we had a good chance of winning but it must not have been in the books as the Cardinals staged a "cold streak" and the Bulldogs got "hot". We went down to our worst defeat of the year, 63-43.

CONFERENCE GAMES

The Cardinals ended the season with a 6 won, 3 lost record to place Third in the final "Little 8" standings. The Cards started by meeting the defending champions, Ohio. The Bulldogs, after leading all the way, were pressed into an overtime period, but they ended up on the long end, 55-51. Then a 74-34 Sheffield victory over Buda evened the record at 1 and 1. The next week saw the Cardinal's championship hopes fade considerably as the Red Devils of Manlius came from behind in the last four minutes to win, 60-56. Feeling that these two defeats were enough, the Cards won the next four conference games: Tiskilwa 82-58; Bureau Township 62-56; Malden 96-69; and La Moille 88-66. Then Wyanet surprised the Cardinals by beating us 48-45. We won our last conference game, defeating Neponset 81-73.

DISTRICT TOURNEY

Our first opponent in the District Tourney was Atkinson. The Cardinals were as cold as we've seen them during the first half and fell too far behind to be able to catch up despite a terrific fourth quarter rally. Our last game of the season ended: Atkinson 59, Sheffield 55.

ROW 1: Bob Johnson, Bill Fisher, Paul Jenkins, Stanley Moore, Roger Folk, Phil Cunningham, Kenny Riggs.
ROW 2: Paul Griffin, Charles Young, Bobby Klatt, Larry Nutter, Russell Chasteen, Bud Morrasy, Coach Radunzel.

Basketball Band

The Basketball Band was made up of high school band members not on the basketball squad plus four eighth-graders. During the basketball season, the thirty members of this band practiced one period a week. The band members' cardinal red coats and blue trousers added color to eight home basketball games.

Seated on the stage, the band entertained the fans by playing marches and standard popular numbers between games and at the half-time intermissions. As is its custom, the Basketball Band produced one marching half-time show on the gym floor during the latter part of the season.

The membership of the 1952-53 Basketball Band was; Clarinets: Mary Johnson, Jo Ann VanDeKeere, Ellen Nutter, Ronnie Moore, Marilyn Stonewall, Helen Cathelyn, Ann Nell Schwind, Wanda Wilhelm, Kay Hodkins, Helen Hewitt, Marcia Vermeulen. Saxophones: Kaye Cogger, Jo Ann Morman, Lela Standard, Gladys Barton, Karen Drew, Marlene Driessens, Ruth Anne De Freezer, Cornets: Joyce Speakman, Bud DeMay, Stanley McCarty. Flutes: Marie Giltner, Camille McCune. Mellophone: Marilyn Kaufman. Piano: Arleta Peterson. Sousaphone: Bill McKee. Percussion: Cheryl Jones, Anita Sprowls, Joyce Sprowls, Sandra Wickham.

Concert Band

During 1953 the Concert Band attained a record membership of forty-five. The band rehearsed standard band literature two periods a week, and played several concerts during the years.

The first concert was the Winter Concert presented December 4 in conjunction with the high school choruses. At this concert the band played Monterey March, Saskatchewan Overture, the Pilgrim Chorus, Men from Mars, Merry Widow Selections, the Three Bears Novelty, Copa Cabana, Manhattan Beach March, and joined with the choruses in presenting White Christmas.

In April the Concert Band participated in the District Music Contest at Toulon.

On April 24 selected personnel from the band joined band members from the other Little Eight schools to form a 200-piece festival band, for the 1953 Music Festival held at Wyandot.

On May 1 the Concert Band along with other school musical organizations presented the Formal Spring Concert.

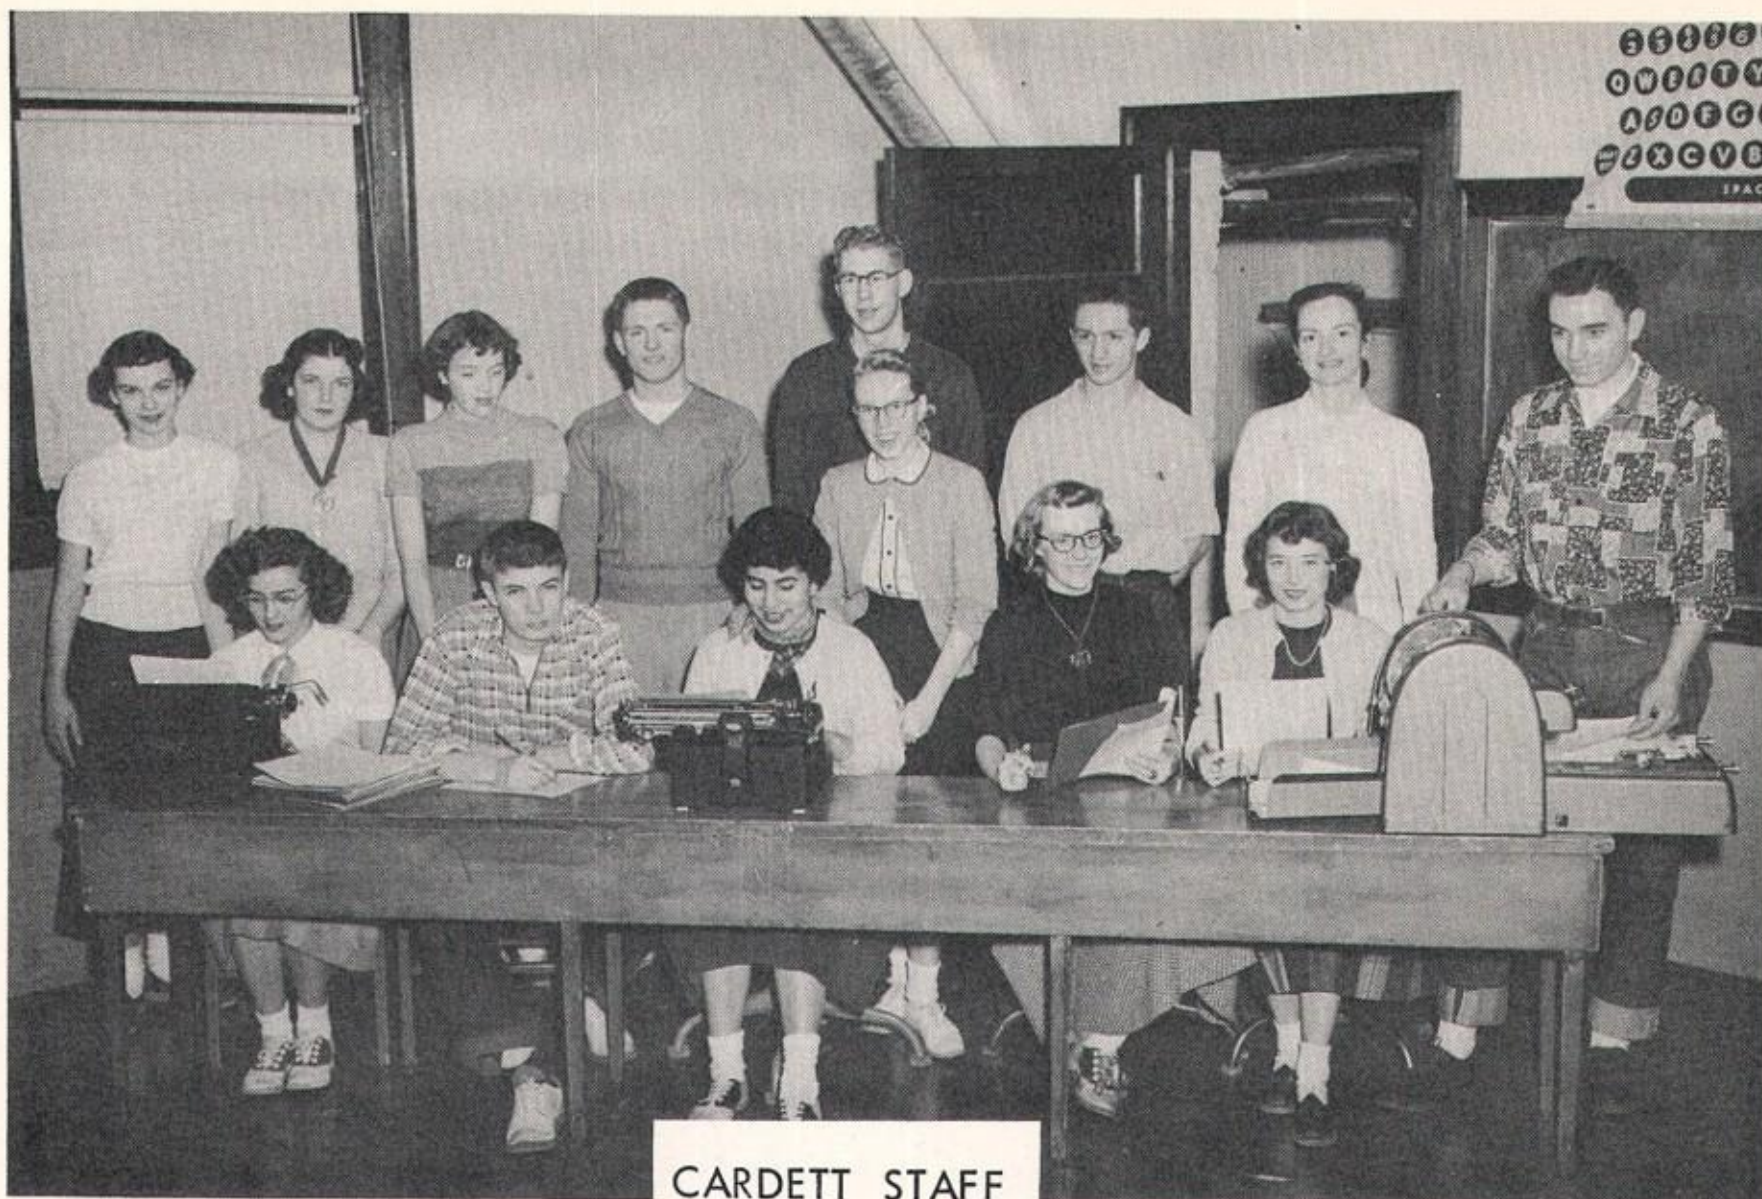

With the exception of the Seniors, the Concert Band played for the Commencement Program, May 29. As its final Concert, the band participated in the Sheffield Memorial Day Program.

The Concert Band was honored to have three of its members, Mary Johnson, Harold Lambert, and Jim Van Loo, selected by the University of Illinois to participate in the All State Band at Urbana during the Thanksgiving vacation.

The Concert Band was the parent organization for smaller groups. Several ensembles competed in March at Toulon in the District Music Contest. Orchestras were selected from the band membership to play for various school activities. Band members not on the athletic teams composed the Football and Basketball Bands.

Girls Chorus

The Girls' Chorus, composed of twenty-eight members, met twice a week. They sang three part music and occasionally joined the Boys' Chorus to form a Mixed Chorus. They appeared publicly several times during the year. At the Winter Concert they presented three numbers, one of which was dramatized.

They appeared in the Spring Concert, giving a short musical play. The group took part in the Little Eight Music Festival, and members from the chorus entered the district music contest.

This year a group of eight girls were chosen to sing for the Schoolmaster's Club when it met in Sheffield. This group joined the Boys' Ensemble to present Christmas carols at the Winter Concert. They entered the district contest in the spring.

The "large ensemble" consisted of a group of picked voices which practiced once a week in preparation for future regular ensemble singing.

They sang in both the Winter and Spring Concerts, and joined the Girls' Chorus to present mixed chorus numbers. Members from the Boys' Chorus participated in the Little Eight Music Festival in April at Wyand.

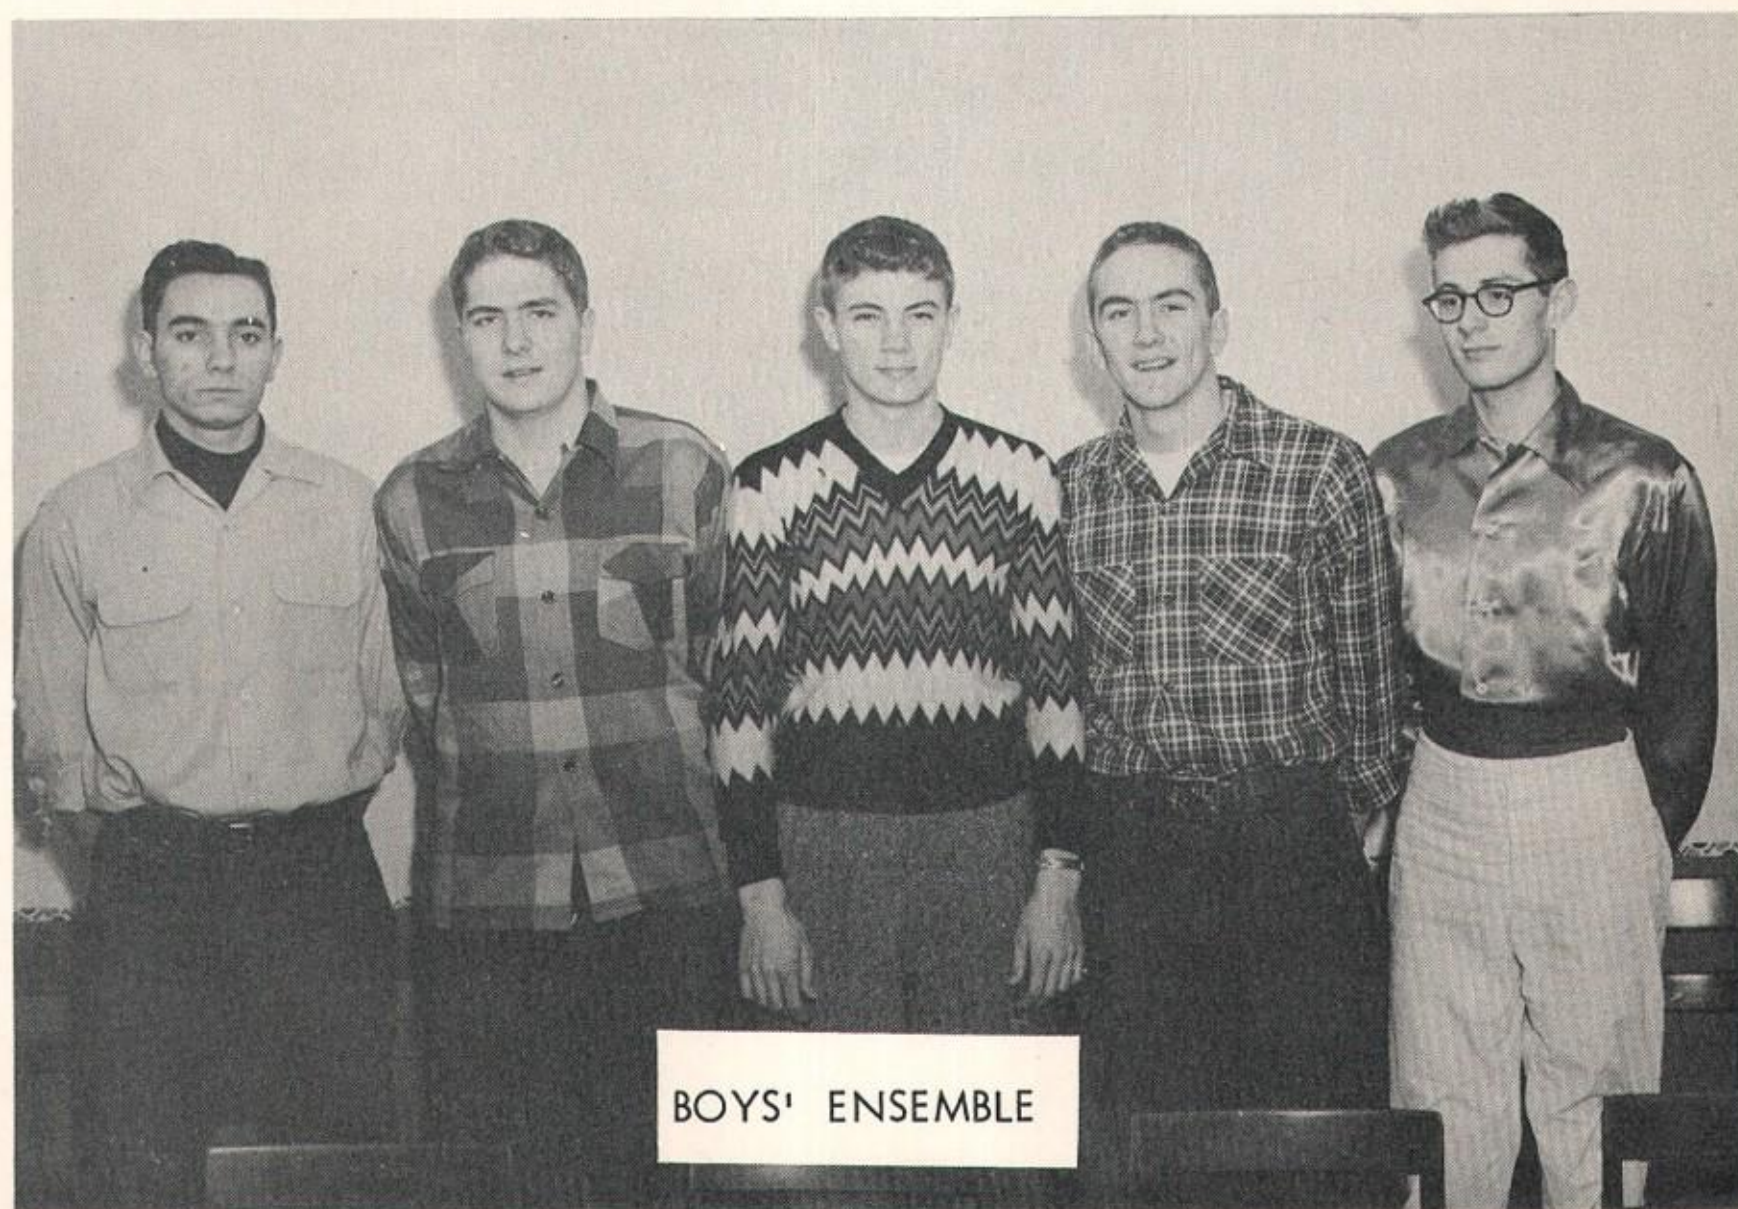

BOYS' ENSEMBLE

Seven boys formed an ensemble which practiced once a week and at times joined the Girls' Ensemble in public appearances.

Lorraine: Driscoll and I were supposed to get married June 1, but we can't.
Loreata: Why not?
Lorraine: He's got a date that night.

Mr. Schwind: I've got a very dependable Democracy Class.
Mr. Harlan: What do you mean?
Mr. Schwind: They depend on each other to do the work.

Marie: Why was Wendell taken out of the line-up?
Kaye: The referee caught him holding.
Marie: Isn't that just like Wendell.

Larry N.: My brother made a ninety-eight yard run in the game last week.
Wayne S.: That's terrific.
Larry N.: Yeah, but he couldn't catch the guy in front of him.

Jim Van Loo: Looks like a smart dog you got there.
Wilbur Jones: Smart? All I gotta say is, are you coming or aren't you? And either he comes or he doesn't.

Bob Klatt: Boy, oh boy, did I catch a fish! It was tremendous. Why it was t-h-a-t long. I never saw such a fish.
Larry Pease: I believe you.

Her Father: What? A young whippersnapper like you wants to marry my daughter? What nerve! Do you think you can give her what she's used to at home?
Driscoll: I think so. I've got a pretty nasty disposition myself.

Ronnie M.: I'd like to see something cheap in a sports jacket.
Salesman: The mirror's over there!

Nancy Prior: The man I marry must have a lot of courage.
Billy Fisher: Oh! You're not as bad as all that.

S. Moore: Gosh, is that girl dizzy.
K. Hodkins: Really.
S. Moore: She thinks that a football coach has four wheels.
K. Hodkins: How silly. How many does it have?

Joann K.: Duane is a terribly fast worker, isn't he? Last night we parked only ten minutes in the car and he tried to kiss me.
Ellen N.: Hah! He must be slowing up.

Coach: Since I got married I have an outfit for every day of the year.
Mr. Schwind: An outfit for every day of the year?
Coach: Yes, the one I'm wearing.

Roger Folk: Do you dance?
Karen Drew: I love to.
Roger Folk: Then let's love.

ADAM'S EVENING

APRIL 4, 1952

Adam is caught trying to slip into his house unnoticed at four in the morning. His quick explanation is that he's just been in a terrible auto accident--he should have sympathy--it was so serious the other man was killed! Who was the other man? The name that occurs to Adam is John Cokes. (How could he know there WAS a John Cokes!) Then Dear helpful mother-in-law has to send a funeral wreath to Mr. Cokes, and that ruins everything. The truth was, Adam had started to give a lady a lift to the movies. But their taxi driver was a nut bent on suicide. A mad ride ends when the gas runs out, and Adam, Rosita, and the nut walk back. When the woman of the ride turns up to warn Adam that her husband is in a jealous rage, Adam has the inspiration to introduce her as Mrs. Cokes--the poor widow. Then the real Mr. Cokes enters, with the funeral wreath around his neck, but very much alive! He is followed by the real Mrs. Cokes, then by the jealous husband and by the nut who drove the taxi--and no one is sure of anyone else. If you saw the play you know what we mean when we say it was a "comedy riot."

1952 TRACK RECORD

The Cardinals started out the 1952 track schedule against the favorites for the Conference Crown, Manlius, Wyandot, and La Moille. We ended up 3rd best. Against Tiskilwa and Bureau Twp. the Cards came through in fine style, winning most of the events. Versus Neponset and Ohio we really worked hard and the meet came out riding on the results of the varsity relay. The Ohio anchor man just nosed our Joe out and they won. Against Buda and Malden the Cards again won most of the places awarded and ended up way on top in the point column.

April 8 Manlius - 60, Wyandot - 57, Sheffield - 48
 April 15 Bureau Twp. - 24, Tiskilwa - 40, Sheffield - 71
 April 22 Ohio - 62 $\frac{2}{3}$, Neponset - 11, Sheffield - 61 $\frac{1}{3}$
 April 29 Buda - 31, Malden - 22, Sheffield - 82

Sheffield sent five representatives to the District Track Meet and came home with five medals. Those placing were:

Harold Lambert	fifth in high hurdles
Pete Van Meir	.
Wendell Smith	.
Harold Lambert	fourth in the mile relays
Joe Johnson	.

Class History

When someone asks us what high school we attended, we will proudly say, "S.H.S.".

After four important and unforgettable years, graduation is finally here, and as we put on our caps and gowns, our hearts and minds are filled with memories and thoughts of our high school days.

It was on August 30, 1949, when the upper-classmen hailed us on registration day in "S.H.S." We were the proud class of '53. We fervently hoped the hill ahead of us wouldn't be too steep to climb.

The twenty-three members in our class were: Lorraine Beyn, Joe Fox, Driscoll Drew, Kaye Garrison, Harold Lambert, Frank Gebeck, Sally Hortega, Bud DeMay, Joe Johnson, Don Pinney, Vernon Pease, Wilbur Jones, Duane Moore, Alice Lempke, Joan Kaufman, Wendell Smith, Loreata Moore, Arleta Peterson, Shirley Rodgers, Mary Johnson, Carol Rosnett, and Elaine Jones.

At our first class meeting the election of officers was as follows: President-Duane Moore, Vice President-Joe Johnson, Secretary-Charles DeMay, Treasurer-Frank Gebeck. Our class sponsor was Miss Kuczera.

We chose blue and white for our class colors.

For our first exciting class party we attended a movie at the Wanee theatre in Kewanee. Then we planned our Freshman dance which was held on April 28, 1952.

Several of the Freshman boys took an active part in the school athletics. Many of us went out for football and crosscountry, not knowing that in our Senior year we would be little "8" champs in both.

Ellen Nutter, formerly of Mineral, joined our class this year.

In the fall of 1950 the Sophomore Class met with twenty-one members under the sponsorship of Mr. Martin Stephenson. Shirley Rodgers and Carol Rosnett did not return. The officers elected were as follows: President-Frank Gebeck, Vice-President-Mary Johnson, Secretary-Sally Hortega, Treasurer-Kaye Garrison.

The Sophomore girls were able to participate in Home Economics this year and also F.H.A. Several of the boys again defended the "Red and White" by participating in sports.

On November 21, our class held the first social event of the year when we attended a movie in Kewanee. On January 19, 1951, we danced to the music of Jerry DeFreez at our Sophomore Dance.

In the fall of 1951, all twenty-one members gathered at school to begin our Junior year. Our class sponsor again was Mr. Stephenson. The officers elected were: President-Duane Moore, Vice President-Vernon Pease, Secretary-Charles DeMay, Treasurer-Harold Lambert. The following were elected cheerleaders: Lorraine Beyn for her second time and Bud DeMay for his first.

Harold Lambert and Bud DeMay were chosen for characters in the Little "8" play contest. Harold portrayed Joel and won a second major award for his good performance. Bud played George and won male lead for the second consecutive year.

Mary Johnson was chosen to go to Girls State and Harold Lambert to Boys State, while Bud DeMay went to Egyptian Music Camp.

The Junior play, "Adams Evening," a comedy directed by Mrs. Roy Shull, was successfully presented on April 4, 1952.

This year we went all out for selling candy, milk, pop corn, pencils, decals, and football pins to make money for our treasury. Our class also donated \$100 toward the purchase of the new basketball scoreboard.

On May 17, after many hours of work decorating the Country Club, the Juniors entertained the Seniors at a banquet and prom; the theme being "A Night in Hawaii."

Then came to a close another successful year for the class of '53.

It was the 29 day of August, 1952, that 18 members walked in the schoolhouse door to start their last year in Sheffield High. Alice Lempke and Don Pinney did not return. Joe Fox married early in the year and is now living in Buda. The officers elected were: Duane Moore-President, Mary Johnson-Vice President, Harold Lambert-Secretary, and Loreata Moore-Treasurer. Our class sponsor was John A. Host.

One of the high-lights of the year was the Freshman Initiation and dance held on Sept. 5 in the school gym.

On Sept. 26 the class worked hard to get many ads for our yearbook. We are already making graduation plans and have discussed many details concerning our class trip at the end of the year. Due to a very active year we have not had time for a class party.

Our Senior play, "The Case of the Sulky Girl," which was given on Nov. 21 was an exciting mystery that was well presented under the direction of Mr. James Balotti.

The majority of our class kept in step with activities all four years by playing in the band directed by Mr. John A. Host. These musical notes will linger with us throughout our lives.

We are looking forward to the Junior-Senior prom and the Senior trip, which as yet hasn't been decided upon.

So far this year our class activities have been very successful and everything seems to be progressing very well.

As tomorrow lies in the hands of the students today, we are on our way to do our best.

The following teachers have been with us all four years of our high school career; Mr. Willard Harlan, Mrs. Duane Peterson, Mr. Fred Schwind, Mr. John Host.

We thank the faculty who have made our education their business and who have become our friends as well as our instructors.

Last Will and Testament

We, the Senior Class of Sheffield High, being of unusually sound mind and body, do hereby declare this document as our last will and testament. Any resemblance to persons living or dead is purely coincidental.

I, Joann Kaufman, will my ability to borrow a car anytime, anyplace, to Nancy Prior. Hope Doc doesn't catch you, Nancy.

I, Lorraine Beyn, will my ability to get all my school work in on time to Helen Marie Cathelyn.

I, Loreata Moore, will Dorcas Gibson all the boys in Wyand, but one. Good hunting, Dorcas.

I, Arleta Peterson, will my size 32 sweaters to Dorcas Gibson.

I, Sally Hortege, will my muscles to Terry Nutter. Hope you can handle your brother now.

I, Mary Johnson, will my speed in peeling potatoes to Sharon Thomas. Don't cut yourself, Sharon.

I, Ellen Nutter, will my bobby sox to Nadine Eggiman. Hope you don't freeze.

I, Elaine Jones, will my ability to keep my long hair to Karen Drew. Leave the scissors alone, Karen.

I, Wendell Smith, will my ability to train for athletics to Stanley Moore. There's always room for improvement, Dynamite.

I, Harold Lambert, will my ability to do magic, to Connie Hewitt. Don't make the girls disappear, Knute.

I, Frank Gebeck, will my ability to keep calm during basketball practice to Terry Nutter.

I, Bud DeMay, will my ability to sneak out of the study hall to Ann Nell Schwind.

I, Kaye Garrison, will my taxi service to Myrt Nutter. No boys allowed, Myrt.

I, Vernon Pease, will my cross country athletic ability to Johnny Barron. Don't let me down, Johnny.

I, Driscoll Drew, will my ability to hit cows to Billy McKee. Be sure you know whose cow it is, Billy.

I, Joe Johnson, will my ability to own two cars at one time to Leon Fox. Keep at least one of them running, Leon!

I, Duane Moore, will my ability to be late for school at least three times a week, to John "Cat" Gentry. Be sure to keep up my good work, Jack.

We, the Senior girls, will our long distance phone calls to Edie Donovan.

SENIOR CLASS SONG

A tribute to you dear Sheffield High
For all you've done for us.
You've given the pattern for every year,
Our thanks to you most sincere.

With love now we will salute you
And wish you all the best.
We'll work and build for the future
with memories of S. H. S.

"Farewell" is not our meaning
So we will say from our hearts:
We'll leave the gifts we have gathered
To you, before we depart.

Chorus

Memories, Memories, all we have today
Of our dear old Sheffield High
So now we're on our way.
Memories, Memories, the sweetest ever known.
We owe the world a debt, we owe it our best,
So we'll say Farewell, Sheffield High.

SENIOR CLASS MOTTO

A LIVE WIRE NEVER GETS STEPPED ON

Prophecy

Here we are in the Corner Spot night club owned by the one and only Elaine Jones. Yes, Elaine is once again single, and has graciously consented to hold the class reunion here in her beautiful night club. Most of us remember when it was a small hot dog stand.

Here come the first arrivals now. They are Wendell Smith and his wife, Marie. Wendell has decided upon a military career and is now a lieutenant in the Air Force. They tell me Marie is worried because she thinks Wendell might find some beautiful angel while up flying someday.

Now joining them at the table is Loreata Moore, wife of the prominent Dr. Johnny Pruitt. I have been informed she has seven charming daughters. Rita says she enjoys being the wife of a doctor.

What's this coming? Oh, I see it's Vernon Pease and his wife, the former Mary Clubine. Their appearance is a little startling, for they came in one of the jets Willie tests, and are both wearing space suits.

The gentleman sitting next to Mrs. Pruitt is our eligible bachelor, Duane Moore. Duane has done well for himself in the special education field. He now heads a large school in New York for the physically handicapped.

Taking an entire table for themselves are the former Sally Horteaga and her husband Lupe Rios and eleven children. Sally has been gifted with three sets of triplets and one set of twins. Because they couldn't get a baby sitter they had to bring the family along.

Now entering are Driscoll and Lorraine Drew. Driscoll is the captain of a ship in the U.S. Navy. Lorraine is still wondering why Driscoll's ship accidentally stalled in Hawaii.

The piano solo is being played by a student of Arleta Peterson. She now has a studio in Southern California and has just started giving a much needed piano lesson to the former President of the United States.

Over in the corner we find actor Charles DeMay and his wife. Bud has made several movies, the latest is "Way Down East". Bud is now living in Hollywood.

Harold Lambert and his wife Joyce just came in through the east wall. Harold is now a famous magician. I hear he has pulled two fine children from his hat.

I have just received a telegram of regret from Joe and his wife Wanda Johnson. He says he is sorry he will be unable to attend but he is needed at one of his lumber camps.

Wilbur Jones, the millionaire, and wife Sharon have just entered. Wilbur says he made his first million selling his Model "T" to an antique dealer.

Ellen Nutter and Bud and Frank Gebeck and Nellie have just entered. Bud owns a shale plant and Frank farms. I'll bet Frank's five boys come in handy on the farm. Ellen said that Bud and she are living a very comfortable life in their mansion overlooking Hollywood.

The nurse that just entered is none other than Joann Kaufman. She's connected with TWA airlines and is helping to increase the company's business very much. By the way she's single.

I see Mary Johnsonn figuring on the table cloth. Maybe some new formula. Mary is the wife of a famous hydrogen bomb scientist and is quite well noted as an economist. She says she got her start trying to find a way to buy her class pictures.

Kaye Garrison and wife Martha just drove up in their Cadillac. Kaye owns a cheese plant in outer Sheffield and says he will raise his children on his good cheese.

Grade Track

1952 GRADE TRACK SEASON

When the 1952 track season came around, there were just ten boys out for the grade school track team. Two triangular track meets were held during the season, with a third meet being rained out.

Buda and Neponset grade schools participated with Sheffield in the first triangular meet. The heavy-weight division finished in this order: Buda, Neponset, and Sheffield. In the Lightweight division the teams finished: Buda, Sheffield, and Neponset.

In the second triangular meet, Buda and Manlius furnished the opposition. Results of the heavyweight division were: Buda, Manlius, and Sheffield. In the lightweights it was: Buda, Sheffield, and Manlius.

Coach Schwind took a few of the boys to the County Track Meet. Paul Jenkins tied for fourth place in the high jump. Virgil Smith took second in the shot put. Paul Griffin place sixth in the broad jump.

In the lightweight division Maury Redman tied for fifth place in the pole valut. Bill Fisher was fourth in the hurdles, and tied for fifth in the high jump. The Sheffield relay team took sixth place.

Grade Softball

The Sheffield Grade School softball team had an unfortunate season in 1952. They competed in five games and were unable to chalk up a win. Most of the boys on the team were in seventh grade so the experience should help them out during the following year. The teams they played were:

Buda	-	18	Sheffield	-	7
Neponset	-	17	Sheffield	-	7
Tiskiliwa	-	12	Sheffield	-	5
Walnut	-	8	Sheffield	-	2

Basketball

Lightweights

The lightweights, small in comparison to other schools, fared better than their heavier teammates. They were successful in winning nine out of seventeen games.

In the Bureau Valley Elementary Conference they tied for first place in the western division of the conference, losing the play-off to Manlius by only one point, after leading throughout the entire game until the last five seconds. In the championship game between the eastern and western division of the Conference, Sheffield lost to Princeton 37 to 18 thus settling for fourth place in the entire county and contributing the fourth place trophy to the trophy case. In the county tournament Sheffield won their first game against Bureau Township, only to taste bitter defeat in the second game with Neponset 24 to 19.

With the majority of the squad being seventh grade boys, prospects look very bright for another year.

Heavyweights

As the Cardettes began their basketball season only five eighth grade boys reported for practice. The majority of the players were recruited from the seventh grade.

With only three heavyweights on the entire squad prospects were not too good. The other two players had to be recruited from the lightweight ranks. The heavyweights did not fare too well; out of eleven games only two games were won but the boys showed constant improvement. The first game of the tournament was lost to Walnut 32 to 12.

Flyweights

At Ohio the heavyweights did not play, so a group of fifth, sixth, and seventh grade boys played a flyweight game, winning 16 to 15.

Junior Hi Chorus

The Junior High Chorus, composed of boys and girls from the Seventh and Eighth Grades, presented a group of numbers at the Winter Concert, and sang again at the Spring Concert. Songs were also presented by the Girls' Chorus and Boys' Chorus individually.

A large number of Junior High Chorus members represented our school in the Little "8" Grade Music Festival held at La Moille in March.

Grade Band

The Grade School Band was formed by band members from grades five to eight. It practiced two periods a week, playing standard band books.

Its first public performance of the year was at the December 5 basketball game with Ohio, when it played between games and at the half-time intermissions. The Grade School Band also played for the February 20 basketball game with Neponset.

On December 23, the band played a concert as part of the Christmas Program presented by the grade school.

Selected personnel from the grade band helped other Little Eight grade school band members form a festival band at the Second Annual Little Eight Grade School Music Festival held March 6 at La Moille.

On April 13 the Grade School Band provided part of the program at the April PTA meeting.

The band joined other Sheffield musical organizations to present the annual Formal Spring Concert on May 1.

A Beginners' Band was organized in the fall and met for instruction twice a week. Its first performance was at the Christmas Program, and it also played at the April PTA meeting and the Spring Concert.

Members of the Beginners' Band were: Becky Boyden, John Barron, Joe Edlin, Larry Van Vooren, Jeffrey Hellberg, Larry Lacey, John McKee, Ronald Wilhelm, Eugene Smith, Austin Folk, Bill McCarty.
